4th July 2016

To ICKLESHAM PARISH Council

Councillors I am sorry to tell you I wish to resign
from the post I was assigned due to the
unpleasantness I have encountered my aim was
to be a asset to the community in so many ways
and of all the councillors who said they would
apologise for comments I received. not one has.
This has made me feel isolated and sad.

I am a honest family orientated person.
and certainly do not merit this

Yours Sincerely

Patricia Hollands.
