Re:	Flagpole removal	Ref:		Date:	12.2.20

I enclose a quotation to attend site and remove the timber flagpole at Rye Harbour using a mobile access platform following our recent visit.

Quotation

- Supply a hire mobile access platform and operator.
- Supply hired in skip to dispose of all parts.
- Using mobile access platform cut flagpole down in approximately 1 m sections using chainsaw.
- The items protruding from the ground will be cut off as close as possible to ground level.
- Remove all parts of the flagpole and dispose of in the skip.
- Area will be left clean and tidy.

Our price to carry out the above works: £2,887.00 plus VAT

Note:

- This inspection is very weather dependent and can be cancelled at short notice.
- You need to let me know if the existing wooden tabernacle with the sign is to stay or cut up and removed.

Terms & Conditions

- Assumes that there is free parking on site.
- Payment 14 days from invoice date.
- Please provide official PO and we will confirm date is satisfactory with you.
- Advise us with name of person and contact number who can allow us access to the flagpole.

I trust this offer will be of interest and look forward to hearing further from you.
